## **Anunaya Kumar Joins Blackstone–backed ASK Investment Managers as President – Sales & Distribution**

**Mumbai, October 07, 2025** – Blackstone-backed ASK Asset & Wealth Management Group announces the appointment of **Anunaya Kumar** as **President – Sales & Distribution** at **ASK Investment Managers (ASK IM)**. This appointment underscores ASK's continued focus on expanding its distribution capabilities and deepening client relationships as it enters its next phase of growth.

With nearly three decades of experience in sales leadership, client relationship management, and business development across leading financial institutions, Anunaya brings a strong track record in driving distribution excellence. His expertise in managing institutional and private client relationships aligns with ASK's vision of strengthening its presence and reinforcing its position as a trusted partner in long-term wealth creation.

**George Heber Joseph, CIO & CEO (Equity), ASK Investment Managers**, said: *"We are delighted to welcome Anunaya to ASK Investment Managers. His leadership skills and extensive industry experience will be invaluable in strengthening our client-first approach and enhancing our distribution network. As ASK continues its growth journey, his appointment further reinforces our commitment to delivering value to clients and stakeholders."*

**Anunaya Kumar, President – Sales & Distribution, ASK Investment Managers**, added: *"It is an honour to join ASK Investment Managers at such an exciting stage of its journey. ASK's long-term wealth creation philosophy and strong client-centric ethos resonate deeply with me. I look forward to working with the leadership team to expand ASK's distribution reach further and contribute to its ambitious growth agenda."*

Prior to joining ASK Investment Managers, Anunaya held senior leadership roles at leading financial institutions, including 360 ONE Asset, Invesco Mutual Fund, and DSP Blackrock Investment Managers, where he successfully spearheaded large-scale sales strategies and built high-performing distribution teams across geographies.
